Notification of the Intention to Proceed with Two Unspecified Minor Construction Projects

The Department of the Army proposes to authorize the obligation of Unspecified Minor Military Construction Army Reserve funds for the construction of the following unspecified minor construction project inside the United States:

Installation & Project Description

Ernie Pyle Army Reserve Center; Fort Totten, New York
Construct Unit Storage Facility - Project Number 11698
Estimated cost is \$1,305,000.

This project will construct a 5,600 square foot storage facility. The facility is required to provide adequate unit storage for units relocating from the McDonald Army Reserve Center in Jamaica, New York. The McDonald Army Reserve Center will be transferred to St Johns University in June 2006 when the land lease for the center expires. St. Johns University will not renew the land lease with the Army Reserve.

Installation & Project Description

Area Maintenance Support Activity 83 (Marine) – Curtis Bay; Baltimore, Maryland
Renovate Warehouse, Project Number 11436
Estimated Cost is \$1,464,000

This project will renovate a 13,200 square foot warehouse and convert the facility into a marine vessel maintenance support activity shop. The marine Area Maintenance Support Activity supports Army Reserve and active component boat units assigned to the Baltimore area.
